

LET'S MEET *in Alaska!*

APRIL 28 - 30, 2025 | ANCHORAGE, AK

AWRA 2025 SPRING CONFERENCE:

Development Risks & Challenges in Changing Climate Conditions

Why Attend?

Impacts to the cultural and socioeconomic health of the planet and all life as we know it are related to water and **changing climate conditions**. Climate change is increasingly causing severe weather events, changes in weather patterns and altering hydrologic cycles. These increasing uncertainties are posing significant **risks** to current and future **development**. **Come** to our conference, make **connections**, and contribute to these important **conversations!**

Important Details:

- Registration Opens Soon
- International Registration Waiver Application: Due February 24, 2025
- Hotel Room Block: Open through April 10, 2025
- Call for Topical Sessions & Abstracts: Closed

Location

Marriott Anchorage Downtown
820 W 7th Ave, Anchorage, AK 99501
